

Nikhil Joshi - Curriculum Vitae

CANDIDATE INFORMATION

Nikhil Joshi
Email: nikhil.joshi@example.com | Candidate ID: C18

TECHNICAL SKILLS

- C, C++, Embedded C, Microcontrollers, RTOS, STM32, UART, I2C, PCB Design

WORK EXPERIENCE

- Embedded Systems Intern at IoT Innovations: Programmed STM32 microcontrollers in C for sensor data acquisition.
- Designed hardware schematic diagrams and routed two-layer PCB layouts using KiCad.

KEY PROJECTS

- Smart Energy Meter: Firmware development in Embedded C with UART serial communication.
- Home Automation Gateway: Microcontroller firmware interfacing with environmental temperature sensors.

EDUCATION

- B.Tech in Electronics and Communication Engineering, RV College of Engineering

CERTIFICATIONS

- Embedded Systems Architecture Certificate
